The Future of Firearms Training is Here

# Dynamic Targets and Automated Scoring Made Easy

Experience the next level of firearms training with the **AccuShoot Live-fire Experience (LFX) system**. AccuShoot LFX is designed to revolutionize your shooting practice.

## Train as You Fight

Use your own gear, including real firearms, optics, and live ammunition, rather than simulation equipment.

## Train Efficiently

Spend all your time training and none on setup, scoring, pasting targets, or recording results.

## Train Effectively

Tailor drills and training sessions to match the skill level of each shooter.
